PUBLIC HEARINGS

1. Location:	300 Lakeside Drive – Kaiser Center	
	(APN: 008-0652-001-05)	
Proposal:	The applicant is proposing to revise the previously approved Planned Unit Development (PUD) which included two new office towers totaling 1.47 million square feet. The revised proposal includes two separate Master Plan development scenarios, both of which would continue to retain the existing office tower at 300 Lakeside Drive and demolish the 20 th Street and Webster Street mall buildings. Both development scenarios would retain a large majority of the existing rooftop garden including the addition of new rooftop open space and enhanced access from the street. The details of the two development scenarios are as follows: Master Plan I - Development scenario that includes two new office towers totaling approximately 1.35 million square feet over ground level retail. Master Plan II - Development scenario that includes an office tower on Webster that would include approximately 880,000 square feet and a residential tower on 20 th Street that would include up to 580 dwelling units, including ground level retail.

	approximately 12,000 square feet of ground floor retail, 121,000 square feet		
	of office, and 185 dwelling units. The proposal included affordable housing		
	units to take advantage of the affordable housing density bonus and		
	concessions. The project was brought before the Planning Commission in		
	2018 for denial as directed by the Commission. The applicant requested a		
	continuance to redesign the proposal, and has provided a preliminary redesign		
	that will retain the exterior building facades of the existing structure,		
	eliminate the office component from the program, and reduce the overall		
	height of the proposed tower. The revised project would still include 185 dwelling units over ground floor commercial, and would be looking to obtain		
	a D-LM height exception to allow the height to the 175-foot Height Zone,		
	with additional height requested through the affordable density bonus process		
	up to approximately 250 feet.		
	up to approximately 250 feet.		
	Staff is bringing the revised concept back to the Planning Commission for		
	discussion as to whether the proposal should be considered for a height		
	exception given the location within the historic King Block. The revised		
	proposal appeared before the Landmarks Board which, through a		
	subcommittee provided a recommendation for denial.
